SINA

RRID:SCR_005067

Type: Tool

Proper Citation

SINA (RRID:SCR_005067)

Resource Information

URL: <http://www.arb-silva.de/aligner/>

Proper Citation: SINA (RRID:SCR_005067)

Description: Service to align and optionally taxonomically classify your rRNA gene sequences. The results can be combined with any other sequences aligned by SINA or taken from the SILVA databases by concatenation of FASTA files or using the ARB MERGE tool. Note: Submission is currently limited to at most 1000 sequences of at most 6000 bases each. If your requirements exceed this limitation, get Opens internal link in current windowSINA for local installation.

Abbreviations: SINA

Synonyms: SINA Alignment Service, SILVA Incremental Aligner

Resource Type: analysis service resource, data analysis service, production service resource, service resource, software resource

Defining Citation: [PMID:22556368](#)

Keywords: alignment, taxonomic classification, rrna, gene sequence, fasta, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: SINA

Resource ID: SCR_005067

Alternate IDs: OMICS_01438, biotools:sina

Alternate URLs: <https://bio.tools/sina>, <https://sources.debian.org/src/sina/>, <https://github.com/epruesse/SINA>

Record Creation Time: 20220129T080228+0000

Ratings and Alerts

No rating or validation information has been found for SINA.

No alerts have been found for SINA.

Data and Source Information
