Spliceman

RRID:SCR_005354

Type: Tool

Proper Citation

Spliceman (RRID:SCR_005354)

Resource Information

URL: <http://fairbrother.biomed.brown.edu/spliceman/index.cgi>

Proper Citation: Spliceman (RRID:SCR_005354)

Description: An online tool that takes a set of DNA sequences with point mutations and returns a ranked list to predict the effects of point mutations on pre-mRNA splicing. The current implementation includes 11 genomes: human, chimp, rhesus, mouse, rat, dog, cat, chicken, guinea pig, frog and zebrafish.

Abbreviations: Spliceman

Resource Type: analysis service resource, data analysis service, production service resource, service resource

Defining Citation: [PMID:22328782](#)

Keywords: dna sequence, pre-mrna, splicing, pre-mrna splicing, point mutation, mutation, sequence variation, fasta

Availability: Free, Non-commercial, Commercial use requires license

Resource Name: Spliceman

Resource ID: SCR_005354

Alternate IDs: OMICS_02259

Record Creation Time: 20220129T080229+0000

Record Last Update: 20260821T042648+0000

Ratings and Alerts

No rating or validation information has been found for Spliceman.

No alerts have been found for Spliceman.
