### Resource Information

**URL:** <http://code.google.com/p/mosaik-aligner/>

**Proper Citation:** MOSAIK (RRID:SCR\_005486)

**Description:** A reference-guided assembler comprising of two main modular programs: MosaikBuild and MosaikAligner. MosaikBuild converts various sequence formats into Mosaik's native read format. MosaikAligner pairwise aligns each read to a specified series of reference sequences and produces BAMs as outputs. At this time, the workflow consists of supplying sequences in FASTA, FASTQ, Illumina Bustard & Gerald, or SRF file formats and producing results in the BAM format. Unlike many current read aligners, MOSAIK produces gapped alignments using the Smith-Waterman algorithm. MOSAIK is written in highly portable C++ and currently targetted for the following platforms: Microsoft Windows, Apple Mac OS X, FreeBSD, and Linux operating systems. Other platforms can easily be supported upon request. MOSAIK is multithreaded. If you have a machine with 8 processors, you can use all 8 processors to align reads faster while using the same memory footprint as when using one processor. MOSAIK supports multiple sequencing technologies. In addition to legacy technologies such as Sanger capillary sequencing, our program supports next generation technologies such as Roche 454, Illumina, AB SOLiD, and experimental support for the Helicos Heliscope.

**Abbreviations:** MOSAIK

**Synonyms:** mosaik-aligner

**Resource Type:** software resource

**Keywords:** next-generation sequencing, alignment, smith-waterman algorithm, c++, computational biology, reference guided aligner

**Availability:** Free, Freely available

**Resource Name:** MOSAIK

**Resource ID:** SCR\_005486

**Alternate IDs:** OMICS\_00669

**Alternate URLs:** <https://sources.debian.org/src/mosaik-aligner/>

**License:** GNU General Public License, v2+, MIT License

**Record Creation Time:** 20220129T080230+0000

**Record Last Update:** 20260815T182316+0000

---

## Ratings and Alerts

No rating or validation information has been found for MOSAIK.

No alerts have been found for MOSAIK.
