Proper Citation: National Archive of Computerized Data on Aging (NACDA)

(RRID:SCR_005876)

Description: Archive of data relevant to gerontological and aging research. Used to advance research on aging. Subjects include demographic, social, economic, and psychological characteristics of older adults, physical health and functioning of older adults, and health care needs of older adults. NACDA staff represents team of professional researchers, archivists and technicians who work together to obtain, process, distribute, and promote data relevant to aging research.

Abbreviations: NACDA

Synonyms: , NACDA, National Archive of Computerized Data on Aging

Resource Type: data or information resource, topical portal, service resource, database, storage service resource, portal, data repository

Keywords: gerontology, secondary analysis, data set, age, intelligence, life span, productive, late adult human

Related Condition: Aging

Funding: NIA

Availability: Restricted

Resource Name: National Archive of Computerized Data on Aging (NACDA)

Resource ID: SCR_005876

Alternate IDs: nlx_149438
