Proper Citation: ResearchMatch (RRID:SCR_006387)

Description: Free and secure registry to bring together two groups of people who are looking for one another: (1) people who are trying to find research studies, and (2) researchers who are looking for people to participate in their studies. It has been developed by major academic institutions across the country who want to involve you in the mission of helping today'''s studies make a real difference for everyone'''s health in the future. Anyone can join ResearchMatch. Many studies are looking for healthy people of all ages, while some are looking for people with specific health conditions. ResearchMatch can help '''match''' you with any type of research study, ranging from surveys to clinical trials, always giving you the choice to decide what studies may interest you.

Abbreviations: ResearchMatch

Synonyms: Research Match

Resource Type: data or information resource, people resource, portal, community building portal, patient registry

Defining Citation: PMID:22104055

Keywords: recruit, volunteer, clinical research, clinical, recruitment registry, registry, patient, clinical study, clinical trial, survey

Related Condition: Healthy, Specific health condition

Funding: NIH ; NCATS UL1TR000445; NCRR 1U54RR032646-01

Resource Name: ResearchMatch

Resource ID: SCR_006387

Alternate IDs: nlx_152168

Record Creation Time: 20220129T080235+0000

Record Last Update: 20250421T053545+0000
