Type: Tool

Proper Citation

Peginterferon and Ribavirin for Pediatric Patients with Chronic Hepatitis C
(RRID:SCR_006787)

Resource Information

URL: <http://clinicaltrials.gov/show/NCT00100659>

Proper Citation: Peginterferon and Ribavirin for Pediatric Patients with Chronic Hepatitis C (RRID:SCR_006787)

Description: Multi-center, randomized controlled trial that studied peginterferon therapy, with or without ribavirin, in children with chronic hepatitis C. Approximately 120 children were randomly assigned to receive peginterferon alfa-2a alone or peginterferon with ribavirin for 48 weeks. Samples of blood, genomic DNA, and liver tissue are stored in the NIDDK repositories. A long-term follow up study of the clinical trial participants is underway.

Abbreviations: PEDS-C

Synonyms: Pegylated Interferon +/- Ribavirin for Children With Hepatitis C, Peginterferon and Ribavirin for Pediatric Patients with Chronic Hepatitis C (Peds-C)

Resource Type: clinical trial, resource

Defining Citation: [PMID:18042575](#)

Keywords: child, young human, peginterferon alfa-2a, ribavirin, drug, male, female, adolescent, pediatric

Related Condition: Chronic hepatitis C viral infection, Hepatitis C virus

Funding: NIDDK

Resource Name: Peginterferon and Ribavirin for Pediatric Patients with Chronic Hepatitis C

Resource ID: SCR_006787

Alternate IDs: nlx_152846

Old URLs: <http://www.pedsc.org>
