BMDExpress

RRID:SCR_006823
Type: Tool

Proper Citation

BMDExpress (RRID:SCR_006823)

Resource Information

URL: http://sourceforge.net/projects/bmdexpress/

Proper Citation: BMDExpress (RRID:SCR_006823)

Description: Bioinformatics tool used to analyze microarray dose-response data. The analysis provides benchmark dose estimates at which different cellular processes are altered in toxicogenomic experiments.

Abbreviations: BMDExpress

Resource Type: data analysis software, data processing software, software application, software resource

Keywords: bioinformatics, microarray, software, toxicogenomics

Availability: MIT License

Resource Name: BMDExpress

Resource ID: SCR_006823

Alternate IDs: nlx_152743

Record Creation Time: 20220129T080238+0000

Record Last Update: 20260912T195646+0000

Ratings and Alerts

No rating or validation information has been found for BMDExpress.

No alerts have been found for BMDExpress.

Data and Source Information
