Proper Citation: Academy of Finland (RRID:SCR_007394)

Description: A funding agency for basic research in Finland and operates within the administrative sector of the Ministry of Education. Their mission is to finance high-quality scientific research, act as a science and science policy expert, and strengthen the position of science and research. The Academy works to contribute to the renewal, diversification and increasing internationalisation of Finnish research. Its operation covers the full spectrum of scientific disciplines.

Synonyms: Academy of Finland

Resource Type: institution

Resource Name: Academy of Finland

Resource ID: SCR_007394
