Blocks

RRID:SCR_007567

Type: Tool

Proper Citation

Blocks (RRID:SCR_007567)

Resource Information

URL: <http://blocks.fhcrc.org>

Proper Citation: Blocks (RRID:SCR_007567)

Description: Blocks is a database of highly conserved regions of proteins, or Blocks. The database is no longer maintained or updated and some of its tools are no longer functional. However, Blocks does provide Block Searcher, Get Blocks and Block Maker, aids to detection and verification of protein sequence homology. They compare a protein or DNA sequence to a database of protein blocks (current version), retrieve blocks, and create new blocks, respectively. Users can further view blocks by (keyword or number), search a sequence against the database of blocks, search blocks against each other, or make blocks of their own.

Synonyms: Blocks

Resource Type: data or information resource, database

Keywords: block, conserved region, protein, protein conservation, FASEB list

Resource Name: Blocks

Resource ID: SCR_007567

Alternate IDs: nif-0000-02614

Record Creation Time: 20220129T080242+0000

Record Last Update: 20260821T193819+0000

Ratings and Alerts

No rating or validation information has been found for Blocks.

No alerts have been found for Blocks.

Data and Source Information
