Defensins Knowledgebase

RRID:SCR_007623

Type: Tool

Proper Citation

Defensins Knowledgebase (RRID:SCR_007623)

Resource Information

URL: <http://defensins.bii.a-star.edu.sg/>

Proper Citation: Defensins Knowledgebase (RRID:SCR_007623)

Description: The defensins knowledgebase is a manually curated database and information source devoted to the defensin family of antimicrobial peptides. The current version of the database holds a comprehensive collection of 363 defensin records each containing sequence, structure and activity information. A web-based interface provides access to the information and allows for text-based searching on the data fields. With the rapidly increasing interest in defensins, we hope that the knowledgebase will prove to be a valuable resource in the field of antimicrobial peptide research.

Synonyms: Defensins Knowledgebase

Resource Type: data or information resource, database

Keywords: antimicrobial peptide, defensin

Resource Name: Defensins Knowledgebase

Resource ID: SCR_007623

Alternate IDs: nif-0000-02744

Record Creation Time: 20220129T080242+0000

Record Last Update: 20260829T183003+0000

Ratings and Alerts

No rating or validation information has been found for Defensins Knowledgebase.

No alerts have been found for Defensins Knowledgebase.
