Proper Citation: PATH (RRID:SCR\_009042)

**Description:** Web application to investigate gene-gene interactions in genetic association studies designed to: 1. Interface your SNP data with biological information from several online bioinformatics databases. 2. Generate biologically plausible hypotheses for testing gene-gene interactions. 3. Select a subset of SNPs and conduct SNP-SNP interaction tests. 4. Store analysis results. 5. Explore analysis results through interactive plots and summary tables. (entry from Genetic Analysis Software)

Abbreviations: PATH

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, ms-windows, linux, FASEB list

Funding:

Resource Name: PATH

Resource ID: SCR\_009042

Alternate IDs: nlx\_154015

Record Creation Time: 20220129T080250+0000

Record Last Update: 20250416T063535+0000

**Ratings and Alerts** 

No rating or validation information has been found for PATH.

No alerts have been found for PATH.

#### Data and Source Information
