CASPAR

RRID:SCR_009074

Type: Tool

Proper Citation

CASPAR (RRID:SCR_009074)

Resource Information

URL: <http://www.ncbi.nlm.nih.gov/CBBresearch/Schaffer/caspar.html>

Proper Citation: CASPAR (RRID:SCR_009074)

Description: Software application who's main novel feature is conditional linkage analyses, in which the population can be subdivided according to criteria at some loci and analyzed for linkage at other loci. CASPAR uses simulation to overcome the problems inherent in such multiple testing. (entry from Genetic Analysis Software)

Abbreviations: CASPAR

Synonyms: Computerized Affected Sibling Pair Analyzer and Reporter

Resource Type: software application, software resource

Keywords: gene, genetic, genomic, c, unix, bio.tools

Resource Name: CASPAR

Resource ID: SCR_009074

Alternate IDs: biotools:caspar, nlx_154071

Alternate URLs: <https://bio.tools/caspar>

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260821T193845+0000

Ratings and Alerts

No rating or validation information has been found for CASPAR.

No alerts have been found for CASPAR.
