## CHB Cellular Neuroscience Core Laboratory

RRID:SCR\_009708

Type: Tool

### Proper Citation

CHB Cellular Neuroscience Core Laboratory (RRID:SCR\_009708)

### Resource Information

**URL:** <http://harvard.eagle-i.net/i/0000012b-00c7-c357-db6e-7a3f80000000>

**Proper Citation:** CHB Cellular Neuroscience Core Laboratory (RRID:SCR\_009708)

**Description:** Core facility that provides the following services: Rapid golgi staining service, Luxol fast blue service, Electron microscopy service, Electron microscopy embedding service, Electron microscopy sectioning service, H&E and cresyl violet staining service, Golgi Cox service, Cryostat, vibratome, and microtome usage service, Ultramicrotome usage service. The core allows investigators to perform diverse types of histological studies at several levels, including light and electron microscopy. Furthermore, since mental retardation may not be associated with structural abnormalities visible at the light microscopic level, analysis of protein expression by immunohistochemistry and gene expression by in situ hybridization are also facilitated by this Core.

**Resource Type:** service resource, access service resource, core facility

**Keywords:** histology, tissue embedding, tissue sectioning, tissue fixation, electron microscopy, cryoembedding, cryosectioning

**Funding:**

**Resource Name:** CHB Cellular Neuroscience Core Laboratory

**Resource ID:** SCR\_009708

**Alternate IDs:** nlx\_156168

**Alternate URLs:** <http://core.iddrc.org/cellular-neuroscience/>

**Record Creation Time:** 20220129T080254+0000

**Record Last Update:** 20250423T060526+0000
