# Harvard Gene Therapy Initiative Core

RRID:SCR\_009848 Type: Tool

### **Proper Citation**

Harvard Gene Therapy Initiative Core (RRID:SCR\_009848)

## **Resource Information**

URL: http://harvard.eagle-i.net/i/0000012c-60a9-25c8-c437-ff0b80000000

Proper Citation: Harvard Gene Therapy Initiative Core (RRID:SCR\_009848)

**Description:** Core facility that provides the following services: MLV plasmid construction service, HIV plasmid construction service, Adenovirus plasmid construction service. The Harvard Gene Therapy Initiative was founded with the objective of promoting the use of gene therapy in both research and therapeutic applications and to conduct research developing new gene delivery vector technologies.

Resource Type: core facility, service resource, access service resource

Keywords: plasmid purification

Funding:

Resource Name: Harvard Gene Therapy Initiative Core

Resource ID: SCR\_009848

Alternate IDs: nlx\_156316

Alternate URLs: http://hgti.med.harvard.edu/

Record Creation Time: 20220129T080255+0000

Record Last Update: 20250508T065246+0000

**Ratings and Alerts** 

No rating or validation information has been found for Harvard Gene Therapy Initiative Core.

No alerts have been found for Harvard Gene Therapy Initiative Core.

#### Data and Source Information
