ZINBA

RRID:SCR_010868
Type: Tool

Proper Citation

ZINBA (RRID:SCR_010868)

Resource Information

URL: http://code.google.com/p/zinba/

Proper Citation: ZINBA (RRID:SCR_010868)

Description: Software to identify genomic regions enriched in a variety of ChIP-seq and related next-generation sequencing experiments (DNA-seq), calling both broad and narrow modes of enrichment across a range of signal-to-noise ratios. ZINBA models and accounts for factors that co-vary with background or experimental signal, such as G/C content, and identifies enrichment in genomes with complex local copy number variations. ZINBA provides a single unified framework for analyzing DNA-seq experiments in challenging genomic contexts.

Abbreviations: ZINBA

Synonyms: zinba - Zero Inflated Negative Binomial Algorithm, Zero Inflated Negative Binomial Algorithm

Resource Type: software resource

Defining Citation: PMID:21787385

Keywords: bio.tools

Funding:

Availability: GNU General Public License, v3

Resource Name: ZINBA

Resource ID: SCR_010868

Alternate IDs: biotools:zinba, OMICS_00465

Alternate URLs: https://bio.tools/zinba

Record Creation Time: 20220129T080301+0000

Record Last Update: 20250420T014512+0000

Ratings and Alerts

No rating or validation information has been found for ZINBA.

No alerts have been found for ZINBA.

Data and Source Information
