Indiana University School of Medicine Physiological Proteomics Core Facility

RRID:SCR_011005

Type: Tool

Proper Citation

Indiana University School of Medicine Physiological Proteomics Core Facility (RRID:SCR_011005)

Resource Information

URL: http://www.scienceexchange.com/facilities/physiological-proteomics-core-facility-iu

Proper Citation: Indiana University School of Medicine Physiological Proteomics Core Facility (RRID:SCR_011005)

Description: THIS RESOURCE IS NO LONGER IN SERVCE, documented January 23, 2019. Facility enables researchers to identify and quantify proteins in simple or complex samples and characterize protein post-translational modifications or conjugates. PPCF provides the following mass spectrometry-based proteomics services: Protein Identification Protein Quantification Differential Protein Expression Analysis Protein Post-translational Modification Analysis Bioinformatics and Pathway Analysis Biomarker Discovery Please note, a set up fee is applied when the number of samples is less than 10.

Abbreviations: IUSM PPCF, PPCF

Synonyms: IUSM, PPCF, Physiological Proteomics Core Facility, Indiana University School of Medicine

Resource Type: standard specification, data or information resource, core facility, nif annotation standard, availability annotation standard, service resource, narrative resource, this resource is no longer in service, access service resource

Keywords: physiological, proteomics, mass spectrometry, protein post-translational, modification analysis,

Funding:

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Indiana University School of Medicine Physiological Proteomics Core

Facility

Resource ID: SCR_011005

Alternate IDs: SciEx_9347

Record Creation Time: 20220129T080302+0000

Record Last Update: 20250521T061405+0000

Ratings and Alerts

No rating or validation information has been found for Indiana University School of Medicine Physiological Proteomics Core Facility.

No alerts have been found for Indiana University School of Medicine Physiological Proteomics Core Facility.
