USC Multimodal Connectivity Database

RRID:SCR_012809

Type: Tool

Proper Citation

USC Multimodal Connectivity Database (RRID:SCR_012809)

Resource Information

URL: http://umcd.humanconnectomeproject.org

Proper Citation: USC Multimodal Connectivity Database (RRID:SCR_012809)

Description: Web-based repository and analysis site for connectivity matrices that have been derived from neuroimaging data including different imaging modalities, subject groups, and studies. Users can analyze connectivity matrices that have been shared publicly and upload their own matrices to share or analyze privately.

Abbreviations: UMCD

Synonyms: UCLA Connectivity Database, UCLA Multimodal Connectivity Database: Webbased brain network analysis and data sharing, UCLA Multimodal Connectivity Database

Resource Type: service resource, storage service resource, data or information resource, data repository, database

Defining Citation: PMID:23226127, PMID:20850551

Keywords: fmri, dti, dsi, mri, eeg, meg, data set, image, computational hosting, connectivity, neuroimaging, data sharing, brain, rendering, diffusion-weighted mri, functional connectivity, graph theory, resting-state fmri, structural connectivity, image display, magnetic resonance, python, rendering, visualization, connectivity matrix, network, brain network, matrix, deidentified, male, female, apoe, child, adult

Related Condition: Normal, Lesioned, Attention deficit-hyperactivity disorder, Autism Spectrum Disorder, Obsessive-Compulsive Disorder, BDD, APOE 4/4, APOE 3/4, APOE 3/3, Alzheimer's disease

Funding: NRSA;

NIH Blueprint for Neuroscience Research; NIA F31AG035438-01; NIDA HHSN271200800035C

Availability: The community can contribute to this resource, Some features require an

account

Resource Name: USC Multimodal Connectivity Database

Resource ID: SCR_012809

Alternate IDs: nlx_83091
