PyPop

RRID:SCR_013425

Type: Tool

Proper Citation

PyPop (RRID:SCR_013425)

Resource Information

URL: <http://www.pypop.org/>

Proper Citation: PyPop (RRID:SCR_013425)

Description: Open-source software pipeline for population genomics. Designed for processing genotype and allele data and running population genetic analyses, including conformity to Hardy-Weinberg expectations; tests for balancing or directional selection; estimates of haplotype frequencies and measures and tests of significance for linkage disequilibrium.

Abbreviations: PyPop

Synonyms: , Python for Population Genomics, PYthon for POPulation genetics

Resource Type: software application, software resource

Defining Citation: [DOI:10.3389/fimmu.2024.1378512](https://doi.org/10.3389/fimmu.2024.1378512)

Keywords: gene, genetic, genomic, python, ms-windows, (98/2000/xp), linux, macos

Availability: Free, Available for download, Freely available

Resource Name: PyPop

Resource ID: SCR_013425

Alternate IDs: nlx_154559

Alternate URLs: <https://github.com/alexlancaaster/pypop>,
<https://zenodo.org/records/19170148>

License: GNU GPL v2

Record Creation Time: 20220129T080316+0000

Ratings and Alerts

No rating or validation information has been found for PyPop.

No alerts have been found for PyPop.
