ANTMAP

RRID:SCR_013426

Type: Tool

Proper Citation

ANTMAP (RRID:SCR_013426)

Resource Information

URL: http://lbm.ab.a.u-tokyo.ac.jp/~iwata/antmap/

Proper Citation: ANTMAP (RRID:SCR_013426)

Description: Software application based on the Ant Colony Optimization to solve the special case of the traveling salesman problem of ordering markers when the number of loci is large. ANYMAP performs segregation test, linkage grouping and locus ordering, and constructs a linkage map rapidly. (entry from Genetic Analysis Software)

Abbreviations: ANTMAP

Resource Type: software resource, software application

Keywords: gene, genetic, genomic, java, ms-windows, macos, linux, unix, solaris

Funding:

Resource Name: ANTMAP

Resource ID: SCR 013426

Alternate IDs: nlx_154226

Record Creation Time: 20220129T080316+0000

Record Last Update: 20250416T063642+0000

Ratings and Alerts

No rating or validation information has been found for ANTMAP.

No alerts have been found for ANTMAP.

Data and Source Information
