Image Studio Lite

RRID:SCR_013715

Type: Tool

Proper Citation

Image Studio Lite (RRID:SCR_013715)

Resource Information

URL: http://www.licor.com/bio/products/software/image_studio_lite/

Proper Citation: Image Studio Lite (RRID:SCR_013715)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 28,2023. Software application which can analyze basic Western blot data and export them for use in spreadsheet programs. Users can create standardized or custom lab reports and can share them with colleagues. Image Studio Lite has been discontinued and replaced with Empiria Studio Software.

Synonyms: Image Studio Lite version 3.1, LICOR Image Studio Lite Software, LI-COR Image Studio Lite Software, Image Studio Lite Software

Resource Type: software resource, software application, data processing software, data analysis software

Keywords: Li-COR, Odyssey, infrared, immunoblot, western blot, analysis

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Image Studio Lite

Resource ID: SCR_013715

Alternate IDs: SCR_014211

License URLs: https://www.licor.com/corp/terms_conditions.html

Record Creation Time: 20220129T080317+0000

Record Last Update: 20260817T040522+0000

Ratings and Alerts

No rating or validation information has been found for Image Studio Lite.

No alerts have been found for Image Studio Lite.
