Type: Tool

Proper Citation

Biorepositories and Biospecimens Research Branch (RRID:SCR_013979)

Resource Information

URL: http://biospecimens.cancer.gov/default.asp

Proper Citation: Biorepositories and Biospecimens Research Branch (RRID:SCR_013979)

Description: A portal to numerous programs and databases associated with the BBRB, a department of the NCI which aims to improve the collection and dissemination of high-quality biosecimens used in cancer research. The BBRB hopes to do this by improving the quality and consistency of human biospecimens and developing biorepository standards and facilitating Biospecimen Science studies that form the basis of evidence-based practices. The site provides acces to the Biospecimen Research Database, which contains peer-reviewed primary and review articles as well as standard operating procedures in human biospecimen science. The BBRB also directs programs such as the Biospecimen Pre-Analytical Variables Program and the Cancer Human Biobank (caHUB).

Synonyms: Biorepositories and Biospecimen Research Branch of the CDP, Biorepositories and Biospecimen Research Branch of the Cancer Diagnosis Program

Resource Type: data or information resource, portal

Keywords: portal, biospecimen, human biospecimen, cancer, cancer research, database,

Related Condition: cancer

Funding:

Availability: Free, Public

Resource Name: Biorepositories and Biospecimens Research Branch

Resource ID: SCR_013979

Record Creation Time: 20220129T080318+0000

Record Last Update: 20250516T054025+0000

Ratings and Alerts

No rating or validation information has been found for Biorepositories and Biospecimens Research Branch.

No alerts have been found for Biorepositories and Biospecimens Research Branch.
