**Proper Citation:** Pivot (RRID:SCR\_013999)

**Description:** A database of funding opportunities for research administrators, research development professionals, and institutions. Researcher profiles are matched to current funding opportunities in the COS database using a proprietary algorithm. Users may also find funding opportunities by searching the database.

Synonyms: COS Pivot, ProQuest Pivot

**Resource Type:** database, data or information resource, funding resource

Keywords: database, grant, funding, FASEB list

**Funding:** 

**Availability:** Available to the research community
