Huygens Software

RRID:SCR_014237

Type: Tool

Proper Citation

Huygens Software (RRID:SCR_014237)

Resource Information

URL: <https://svi.nl/HuygensSoftware>

Proper Citation: Huygens Software (RRID:SCR_014237)

Description: A set of fluorescence microscope image processing packages which perform image restoration, interactive analysis, and volume visualization of 2D and 3D multi channel microscopy images or time series. The restoration is based on different deconvolution algorithms, that permit the recovery of objects from images that are degraded by blurring and noise. Tutorials and documentation are available on the website.

Resource Type: data processing software, image analysis software, image reconstruction software, software application, software resource

Keywords: deconvolution, fluorescence microscopy, volume visualization, image analysis software, image restoration

Availability: Acknowledgement requested, Freeware is available, Some tools require a license

Resource Name: Huygens Software

Resource ID: SCR_014237

License: May obtain a test license

Record Creation Time: 20220129T080319+0000

Record Last Update: 20260821T194014+0000

Ratings and Alerts

No rating or validation information has been found for Huygens Software.

No alerts have been found for Huygens Software.

Data and Source Information
