Type: Tool

Proper Citation

Definiens Developer XD (RRID:SCR_014283)

Resource Information

URL: <http://www.definiens.com/research/tissue-studio/developer-xd>

Proper Citation: Definiens Developer XD (RRID:SCR_014283)

Description: A development environment designed to create automated image analysis solutions for segmentation and classification tasks. It delivers quantitative and consistent data for any type of image (e.g., IHC, ISH, IF images in different formats). Developer XD also contains a large library of image analysis algorithms, which users can add to, for whole slide images and tissue microarrays (TMAs). It can be integrated with an existing Tissue Studio installation.

Resource Type: software resource

Keywords: development environment, image analysis solution, segmentation, classification, image analysis algorithm library, tissue microarray, whole slide image, tissue studio

Resource Name: Definiens Developer XD

Resource ID: SCR_014283
