International Cell Line Authentication Committee

RRID:SCR_014414

Type: Tool

Proper Citation

International Cell Line Authentication Committee (RRID:SCR_014414)

Resource Information

URL: <http://iclac.org>

Proper Citation: International Cell Line Authentication Committee (RRID:SCR_014414)

Description: An independent committee established to improve visibility of cell lines and promote awareness and authentication testing to combat false or misidentified cell lines. It contains a databases of cross-contaminated or otherwise misidentified cell lines, as well as resources to familiarize users of cell lines and the problem of misidentification. Their Terms of Reference defines false or misidentified cell lines and other commonly used terms, as well as sets out the committee goals and ground rules.

Abbreviations: ICLAC

Synonyms: International Cell Line Authentication Committee (ICLAC)

Resource Type: data or information resource, database, organization portal, portal

Keywords: organization portal, database, cell line, misidentified, false, database, cross contaminated, committee, authentication

Resource Name: International Cell Line Authentication Committee

Resource ID: SCR_014414

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260829T182843+0000

Ratings and Alerts

No rating or validation information has been found for International Cell Line Authentication Committee.

No alerts have been found for International Cell Line Authentication Committee.
