Neuroscience Information Toolbox

RRID:SCR_014501

Type: Tool

Proper Citation

Neuroscience Information Toolbox (RRID:SCR_014501)

Resource Information

URL: <http://www.neuro.uestc.edu.cn/NIT.html>

Proper Citation: Neuroscience Information Toolbox (RRID:SCR_014501)

Description: A toolkit for EEG-fMRI multimodal fusion and fMRI data preprocessing and analysis. NIT allows users to perform batch processing of fMRI data analysis and data preprocessing based on SPM8, as well as parallel computing for data preprocessing, nuisance signals removal, and FCD and FOCA calculating. Users can also use NIT to calculate functional connectivity density and four dimensional (spatio-temporal) consistency of local neural activities.

Abbreviations: NIT

Synonyms: Neuroscience Information Toolbox (NIT)

Resource Type: data processing software, software application, software resource, software toolkit

Keywords: foca, four dimensional consistency of local neural activities, software toolkit, eeg, fmri, multimodal fusion, parallel framework, fcd, functional connectivity density

Availability: Acknowledgement requested, Non-commercial use only, Freeware but not in the public domain

Resource Name: Neuroscience Information Toolbox

Resource ID: SCR_014501

Record Creation Time: 20220129T080320+0000

Record Last Update: 20260821T194021+0000

Ratings and Alerts

No rating or validation information has been found for Neuroscience Information Toolbox.

No alerts have been found for Neuroscience Information Toolbox.
