Proper Citation: Metabolomics Society (RRID:SCR_014665)

Description: An independent, non-profit organization whose main goal is to promote the growth and development of the field of metabolomics internationally. They also aim to provide collaborative opportunities among scientists in metabolomics, create connections between academia, government and industry in the field of metabolomics, provide opportunities for presentation of research achievements and creation of workshops, and promote the publication of meritorious research in the field.

Synonyms: Metabolomics Society Inc, The Metabolomics Society Inc

Resource Type: data or information resource, portal

Keywords: metabolomics, international, collaboration, non profit, organization

Availability: Publicly available, Membership available

Resource Name: Metabolomics Society

Resource ID: SCR_014665
