imDEV

RRID:SCR_014674 Type: Tool

Proper Citation

imDEV (RRID:SCR_014674)

Resource Information

URL: https://imdevsoftware.wordpress.com/imdev/

Proper Citation: imDEV (RRID:SCR_014674)

Description: A software application of RExcel that integrates R into Excel as an embedded additon for omics tasks and analysis. It can be used specifically for tasks concerning multivariate data visualization, exploration, and analysis. imDev has interactive modules for dimensional reduction, prediction, feature selection, analysis of correlation, and generation of networked structures, all of which provide an integrated environment for systems level analysis of multivariate data.

Synonyms: Interactive modules for Data Exploration and Visualization, Interactive modules for Data Exploration and Visualization (imDEV)

Resource Type: software resource, software application, systems interoperability software

Defining Citation: DOI:10.1093/bioinformatics/bts439

Keywords: statistical analysis, statistical analysis package, r, r package, excel, data visualization, feature selection, omics, systems interoperability, software, metabolomics, bio.tools

Funding:

Availability: Supports Microsoft Excel versions 2003-2010

Resource Name: imDEV

Resource ID: SCR_014674

Alternate IDs: biotools:imdev

Alternate URLs: https://sourceforge.net/projects/imdev/, https://bio.tools/imdev

Record Creation Time: 20220129T080321+0000

Record Last Update: 20250416T063710+0000

Ratings and Alerts

No rating or validation information has been found for imDEV.

No alerts have been found for imDEV.
