Proper Citation: Sanford Burnham Prebys Medical Discovery Institute Proteomics Facility
(RRID:SCR_014865)

Description: Facility that provides mass spectrometry-based proteomics services with methods tailored to the needs of scientific investigators for routine mass spectrometric analysis of peptides and proteins, identification of novel proteins, characterization of post-translational modifications, and quantitative proteomics analysis of simple to complex biological samples. The facility identifies, validates and develops new methods designed for the characterization and identification of biologically important proteins. It also supports users with software applications and development, data analysis and experimental design of proteomics studies.

Synonyms: SBP Proteomics Facility, SBP Medical Discovery Institute Proteomics Facility

Resource Type: material resource, instrument supplier

Keywords: facility, la jolla, proteomics, mass spectrometry, peptide analysis, protein analysis, software, data analysis, consultation

Availability: Commercially available, Services available to SBP scientists, Services available to outside non-profit and for-profits organization on a fee-for-service basis

Resource Name: Sanford Burnham Prebys Medical Discovery Institute Proteomics Facility

Resource ID: SCR_014865

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260808T190626+0000

Ratings and Alerts

No rating or validation information has been found for Sanford Burnham Prebys Medical Discovery Institute Proteomics Facility.

No alerts have been found for Sanford Burnham Prebys Medical Discovery Institute Proteomics Facility.
