Open Trials (RRID:SCR_015570)

Resource Information

URL: https://opentrials.net/

Proper Citation: Open Trials (RRID:SCR_015570)

Description: Database that contains data such as registry entries, portions of regulatory documents describing individual trials, structured data on methods and results, and researchers and papers from and/or related to clinical trials. The initiative aims to locate, match, and share all publicly accessible data and documents, on all trials conducted, on all medicines and other treatments, globally.

Resource Type: database, data or information resource

Keywords: clinical trial, clinical trial database, clinical trial data, open database, bio.tools

Funding: Laura and John Arnold Foundation;

Wellcome Trust;

World Health Organisation;

West of England Academic Health Science Network

Availability: Open source

Resource Name: Open Trials

Resource ID: SCR_015570

Alternate IDs: biotools:opentrials

Alternate URLs: https://bio.tools/opentrials
