

Resource Summary Report

Generated by [dkNET](#) on Aug 14, 2026

R package: RVAideMemoire

RRID:SCR_015657

Type: Tool

Proper Citation

R package: RVAideMemoire (RRID:SCR_015657)

Resource Information

URL: <http://CRAN.R-project.org/package=RVAideMemoire>

Proper Citation: R package: RVAideMemoire (RRID:SCR_015657)

Description: Software package that contains miscellaneous functions useful in biostatistics, such as univariate and multivariate testing procedures with a special emphasis on permutation tests. Many functions shorten existing procedures and implement plotting functions that can be used with a variety of methods and packages.

Synonyms: RVAideMemoire, RVAideMemoire: Testing and Plotting Procedures for Biostatistics, Package 'RVAideMemoire'

Resource Type: software toolkit, software resource

Keywords: statistical analysis, biostatistics, multivariate testing, permutation, plotting function, graphical function

Availability: Free, Available for download

Resource Name: R package: RVAideMemoire

Resource ID: SCR_015657

License: GPL-2

Record Creation Time: 20220129T080326+0000

Record Last Update: 20260810T040654+0000

Ratings and Alerts

No rating or validation information has been found for R package: RVAideMemoire.

No alerts have been found for R package: RVAideMemoire.
