SCDE

RRID:SCR_015952

Type: Tool

Proper Citation

SCDE (RRID:SCR_015952)

Resource Information

URL: <http://hms-dbmi.github.io/scde/index.html>

Proper Citation: SCDE (RRID:SCR_015952)

Description: Software package that implements a set of statistical methods for analyzing single-cell RNA-seq data, including differential expression analysis (Kharchenko et al.) and pathway and geneset overdispersion analysis (Fan et al.)

Resource Type: data analysis software, data processing software, sequence analysis software, software application, software resource

Defining Citation: [PMID:24836921](#)

Keywords: statistic, single, cell, rna, seq, rnaseq, differential, analysis, pathway, gene, geneset, dispersion, overdispersion, bayesian, expression, magnitude

Funding: Leukemia and Lymphoma Research UK ;
Leukemia and Lymphoma Society ;
NHLBI R01 HL097794;
NIA K25 AG037596;
NIDDK R01 DK050234

Availability: Free, Available for download

Resource Name: SCDE

Resource ID: SCR_015952

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260905T133007+0000

Ratings and Alerts

No rating or validation information has been found for SCDE.

No alerts have been found for SCDE.
