HermiT OWL Reasoner

RRID:SCR_016006

Type: Tool

Proper Citation

HermiT OWL Reasoner (RRID:SCR_016006)

Resource Information

URL: <http://www.hermit-reasoner.com/>

Proper Citation: HermiT OWL Reasoner (RRID:SCR_016006)

Description: Algorithm for a reasoner for ontologies written using the Web Ontology Language (OWL). Given an OWL file, HermiT can determine whether or not the ontology is consistent, identify subsumption relationships between classes, and much more.

Resource Type: algorithm resource, data analysis software, data processing software, software application, software resource

Keywords: web, ontology, language, reasoner, class, algorithm, terminology, term, semantic, hypertableau

Availability: Open source, Free, Available for download

Resource Name: HermiT OWL Reasoner

Resource ID: SCR_016006

License: LGPL

Record Creation Time: 20220129T080328+0000

Record Last Update: 20260912T195833+0000

Ratings and Alerts

No rating or validation information has been found for HermiT OWL Reasoner.

No alerts have been found for HermiT OWL Reasoner.
