GPS

RRID:SCR_016374

Type: Tool

Proper Citation

GPS (RRID:SCR_016374)

Resource Information

URL: <http://gps.biocuckoo.org/>

Proper Citation: GPS (RRID:SCR_016374)

Description: Software that detects kinase-specific phosphorylation sites. GPS provides a platform able to perform its prediction based on a group-based phosphorylation scoring algorithm. It allows users to query multiple protein sequences through a batch prediction mode.

Abbreviations: GPS

Synonyms: Group-based Prediction System, GPS: Group-based Prediction System, Group-based Prediction System (GPS)

Resource Type: software resource, algorithm resource

Defining Citation: [PMID:18463090](#)

Keywords: phosphorylate, protein, seq, predictive, substrate, site, kinase, mass spectrometry

Availability: Free for academic use, Request for commercial use, Available for download

Resource Name: GPS

Resource ID: SCR_016374

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260814T042940+0000

Ratings and Alerts

No rating or validation information has been found for GPS.

No alerts have been found for GPS.

Data and Source Information
