Culture Collection of Algae at the University of Texas

RRID:SCR_016782

Type: Tool

Proper Citation

Culture Collection of Algae at the University of Texas (RRID:SCR_016782)

Resource Information

URL: <https://utex.org/>

Proper Citation: Culture Collection of Algae at the University of Texas (RRID:SCR_016782)

Description: The UTEX Culture Collection of Algae includes different strains of living algae, representing most major taxa. Cultures in the Collection are used for research, teaching, biotechnology development, and various other projects throughout the world.

Abbreviations: UTEX

Synonyms: The UTEX Culture Collection of Algae, Culture Collection of Algae at the University of Texas, UTEX

Resource Type: biospecimen repository, data or information resource, database, material storage repository, organization portal, portal, service resource, storage service resource

Keywords: culture, collection, algae

Funding: College of Natural Sciences of The University of Texas at Austin ; U.S. National Science Foundation

Availability: Commercially available

Resource Name: Culture Collection of Algae at the University of Texas

Resource ID: SCR_016782

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260905T132814+0000

Ratings and Alerts

No rating or validation information has been found for Culture Collection of Algae at the University of Texas.

No alerts have been found for Culture Collection of Algae at the University of Texas.
