4D Nucleome

RRID:SCR_016925

Type: Tool

Proper Citation

4D Nucleome (RRID:SCR_016925)

Resource Information

URL: <https://www.4dnucleome.org>

Proper Citation: 4D Nucleome (RRID:SCR_016925)

Description: Research project to understand the principles underlying nuclear organization in space and time, the role nuclear organization plays in gene expression and cellular function, and how changes in nuclear organization affect normal development and diseases. Portal provides free access to datasets, software packages, and protocols to advance biomedical research of nuclear architecture. Aims to develop and apply approaches to map the structure and dynamics of the human and mouse genomes.

Synonyms: 4D Nucleome Network; 4DN Web Portal, The 4D nucleome project, 4DN Portal

Resource Type: data or information resource, portal, project portal

Defining Citation: [PMID:28905911](#)

Keywords: nuclear, organization, gene, expression, cellular, function, normal, development, disease, map, structure, human, mouse, genome

Funding: NIH Common Fund

Availability: Public

Resource Name: 4D Nucleome

Resource ID: SCR_016925

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260821T194059+0000

Ratings and Alerts

No rating or validation information has been found for 4D Nucleome .

No alerts have been found for 4D Nucleome .

Data and Source Information
