Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility

RRID:SCR_017831

Type: Tool

Proper Citation

Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility
(RRID:SCR_017831)

Resource Information

URL: <https://med.psu.edu/core/mass-spectrometry>

Proper Citation: Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility (RRID:SCR_017831)

Description: Core provides mass spectrometry analyses and identification of proteins, peptides, oligonucleotides, carbohydrates and small molecules. Other services include separations of complex protein and/or peptide mixtures; protein expression analysis (iTraq, SILAC, SWATH/DIA label-free); quantitation of protein, cytokine, amino acid and other small-molecule levels; bioinformatics; spot-cutting and robotics; and gel imaging and analysis., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16, 2025.

Synonyms: Penn State College of Medicine's Mass Spectrometry & Proteomics Core

Resource Type: access service resource, core facility, service resource

Keywords: Mass, spectrometry, analysis, identification, protein, peptide, oligonucleotide, carbohydrate, molecule, separation, complex, mixture, expression, analysis, quantitation, bioinformatics, gel, imaging, service, core, ABRF

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility

Resource ID: SCR_017831

Alternate IDs: ABRF_617

Record Creation Time: 20220129T080337+0000

Ratings and Alerts

No rating or validation information has been found for Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility.

No alerts have been found for Penn State College of Medicine Mass Spectrometry and Proteomics Core Facility.
