Agisoft Metashape

RRID:SCR_018119

Type: Tool

Proper Citation

Agisoft Metashape (RRID:SCR_018119)

Resource Information

URL: <http://www.agisoft.com>

Proper Citation: Agisoft Metashape (RRID:SCR_018119)

Description: Stand alone software that performs photogrammetric processing of digital images and generates 3D spatial data to be used in GIS applications, cultural heritage documentation, and visual effects production as well as for indirect measurements of objects of various scales. Successor of PhotoScan and is advanced image-based 3D modeling solution aimed at creating professional quality 3D content from still images.

Resource Type: data processing software, image processing software, software application, software resource, standalone software

Keywords: Agisoft LLC, photogrammetry processing, digital image, 3D spatial data, GIS, visual effect production, 3D computer graphic

Resource Name: Agisoft Metashape

Resource ID: SCR_018119

Record Creation Time: 20220129T080338+0000

Record Last Update: 20260912T195857+0000

Ratings and Alerts

No rating or validation information has been found for Agisoft Metashape.

No alerts have been found for Agisoft Metashape.
