Leica: SM2000 R Sliding microtome

RRID:SCR_018456

Type: Tool

Proper Citation

Leica: SM2000 R Sliding microtome (RRID:SCR_018456)

Resource Information

URL: <https://www.leicabiosystems.com/histology-equipment/sliding-and-vibrating-blade-microtomes/products/leica-sm2000-r/>

Proper Citation: Leica: SM2000 R Sliding microtome (RRID:SCR_018456)

Description: Sliding microtome from Leica Biosystems with low maintenance cross roller bearing slideways designed to easily section either paraffin embedded or fixed, frozen specimens. Features knife holder for both standard knives and disposable blades. Please note: this product is discontinued and no longer available for sale.

Synonyms: Leica SM2000R, Leica SM2000 R

Resource Type: instrument resource

Keywords: Microtome, sliding microtome, cross roller bearing slideway, sectioning, paraffin embedded specimen, fixed specimen, frozen specimen, knife holder, equipment, instrument

Availability: Restricted

Resource Name: Leica: SM2000 R Sliding microtome

Resource ID: SCR_018456

Alternate URLs: <https://rankinbiomed.com/wp-content/uploads/Leica-SM2000R-Brochure.pdf>

Record Creation Time: 20220129T080340+0000

Record Last Update: 20260905T132836+0000

Ratings and Alerts

No rating or validation information has been found for Leica: SM2000 R Sliding microtome.

No alerts have been found for Leica: SM2000 R Sliding microtome.
