## CONSORT

RRID:SCR\_018720

Type: Tool

---

### Proper Citation

CONSORT (RRID:SCR\_018720)

---

### Resource Information

**URL:** <http://www.consort-statement.org/>

**Proper Citation:** CONSORT (RRID:SCR\_018720)

**Description:** Standards for transparent trials reporting. Encompasses various initiatives developed by CONSORT Group to alleviate problems arising from inadequate reporting of randomized controlled trials. Main product of CONSORT is CONSORT Statement, which is evidence based, minimum set of recommendations for reporting randomized trials. CONSORT Statement is endorsed by medical journals and leading editorial organizations.

**Abbreviations:** CONSORT

**Synonyms:** Consolidated Standards of Reporting Trials

**Resource Type:** data or information resource, narrative resource, organization portal, portal, standard specification

**Keywords:** MDAR, standard, transparent trial, trial reporting, CONSORT group, controlled trial, CONSORT Statement, randomized trials reporting, medical journal, editorial organization, reporting

**Funding:** Family Health International ;  
Medical Research Council ;  
Ottawa Hospital Research Institute ;  
University of Oxford

**Availability:** Free, Freely available

**Resource Name:** CONSORT

**Resource ID:** SCR\_018720

**Record Creation Time:** 20220129T080341+0000

**Record Last Update:** 20260905T132841+0000

---

## Ratings and Alerts

No rating or validation information has been found for CONSORT.

No alerts have been found for CONSORT.

## Usage and Citation Metrics

We found 389 mentions in open access literature.

**Listed below are recent publications.** The full list is available at [dkNET](#) .

Park SH, et al. (2026) Effects of rehabilitation exercise programs on respiratory function, muscle strength, and exercise performance ability in individuals with spinal cord injury: a pilot randomized controlled trial. The Korean journal of physiology & pharmacology : official journal of the Korean Physiological Society and the Korean Society of Pharmacology, 30(1), 1.

Lim AJM, et al. (2026) Assessing the Clinical and Cost Effectiveness of Dialkylcarbamoylchloride (DACC) Coated Post-Operative Dressings Versus Standard Care in the Prevention of Surgical Site Infection in Clean or Clean-Contaminated, Vascular Surgery (DRESSING Trial): Study Protocol for a Multicentre Randomised Controlled Trial. International wound journal, 23(2), e70818.

Shi Q, et al. (2026) Tamoxifen Combined with Hormone Replacement in Women with Thin Endometrium Receiving Frozen-Thawed Embryo Transfer for Promoting Endometrial Growth: A Double-Blinded, Randomized Controlled Trial. International journal of general medicine, 19, 587828.

Gentile P, et al. (2026) Autologous fibroblast therapy for facial rejuvenation: A randomized open-label controlled study. JPRAS open, 50, 632.

Polyzos NP, et al. (2026) Transdermal testosterone gel vs placebo in women with diminished ovarian reserve prior to in vitro fertilization: a randomized, clinical trial. Nature communications, 17(1).

Syed VA, et al. (2026) Comparative analysis of clinical, patient-centered, and COL1A1 gene expression outcomes following coronally advanced flap with xenogeneic collagen matrix versus connective tissue graft in maxillary gingival recession: A parallel-arm, single-blinded randomized controlled clinical trial. Journal of oral biology and craniofacial research, 16(1), 246.

St Clair-Sullivan N, et al. (2026) Comprehensive geriatric assessment for people living with HIV and frailty: A mixed-methods feasibility randomized controlled trial. HIV medicine, 27(2), 283.
