STROBE

RRID:SCR_018788

Type: Tool

Proper Citation

STROBE (RRID:SCR_018788)

Resource Information

URL: <https://www.strobe-statement.org/index.php?id=strobe-home>

Proper Citation: STROBE (RRID:SCR_018788)

Description: Guidelines for strengthening reporting of observational studies in epidemiology. International, collaborative initiative of epidemiologists, methodologists, statisticians, researchers and journal editors involved in developing recommendations on what should be included in accurate and complete report of observational study. Recommendations to cover study designs in cohort, case-control, and cross-sectional studies.

Synonyms: STROBE statement, Strengthening the Reporting of Observational Studies in Epidemiology (STROBE)

Resource Type: data or information resource, portal

Defining Citation: [DOI:10.1016/S0140-6736\(07\)61602-X](https://doi.org/10.1016/S0140-6736(07)61602-X)

Keywords: STROBE statement, guidelines, strengthening reporting, observational study, epidemiology, report, study design, cohort, case control, cross sectional study

Availability: Free, Freely available

Resource Name: STROBE

Resource ID: SCR_018788

Record Creation Time: 20220129T080342+0000

Record Last Update: 20260821T194151+0000

Ratings and Alerts

No rating or validation information has been found for STROBE.

No alerts have been found for STROBE.
