# **MSnbase**

RRID:SCR\_019317

Type: Tool

## **Proper Citation**

MSnbase (RRID:SCR\_019317)

#### **Resource Information**

**URL:** https://bioconductor.org/packages/MSnbase/

**Proper Citation:** MSnbase (RRID:SCR\_019317)

**Description:** Software R package provides infrastructure for manipulation, processing and visualisation of mass spectrometry and proteomics data, ranging from raw to quantitative and annotated data. Used for isobaric tagged mass spectrometry data visualization, processing and quantitation.

**Resource Type:** software resource, software application, data processing software, software toolkit, data visualization software, data analytics software

Defining Citation: PMID:22113085, PMID:32902283

**Keywords:** Mass spectrometry data processing, mass spectrometry data visualization, raw mass spectrometry data

Funding: BBSRC Tools and Resources Development Fund;

European Union 7th Framework Program

Availability: Free, Available for download, Freely available

Resource Name: MSnbase

Resource ID: SCR\_019317

**Record Creation Time:** 20220129T080344+0000

**Record Last Update:** 20250424T065616+0000

### **Ratings and Alerts**

No rating or validation information has been found for MSnbase.

No alerts have been found for MSnbase.

### **Data and Source Information**

Source: SciCrunch Registry

## **Usage and Citation Metrics**

We found 10 mentions in open access literature.

**Listed below are recent publications.** The full list is available at dkNET.
