## Malvern Panalytical: Nanosight NS500 Analyzer

RRID:SCR\_020310

Type: Tool

### Proper Citation

Malvern Panalytical: Nanosight NS500 Analyzer (RRID:SCR\_020310)

### Resource Information

**URL:** <https://www.malvernpanalytical.com/en/support/product-support/nanosight-range/nanosight-ns500>

**Proper Citation:** Malvern Panalytical: Nanosight NS500 Analyzer (RRID:SCR\_020310)

**Description:** Malvern Panalytical NanoSight NS500 instrument provides an easy-to-use, reproducible platform for nanoparticle characterization. The NS500 provides detailed analysis of the size distribution and concentration of all types of nanoparticles from 10nm to 2000nm in diameter, depending on the instrument configuration and sample type being analyzed. Single particle zeta potential measurements on the NS500 provide inherent high resolution zeta distributions which can be measured simultaneously with other NTA measurements parameters like size, particle concentration and can even operate whilst in fluorescence mode.

**Resource Type:** instrument resource

**Keywords:** Analyzer, instrument, equipment, USEDit

**Availability:** Commercially available

**Resource Name:** Malvern Panalytical: Nanosight NS500 Analyzer

**Resource ID:** SCR\_020310

**Alternate IDs:** Model\_Number\_NS500

**Record Creation Time:** 20220129T080349+0000

**Record Last Update:** 20260815T182635+0000

### Ratings and Alerts

No rating or validation information has been found for Malvern Panalytical: Nanosight NS500 Analyzer.

No alerts have been found for Malvern Panalytical: Nanosight NS500 Analyzer.
