ProtHint

RRID:SCR_021167

Type: Tool

Proper Citation

ProtHint (RRID:SCR_021167)

Resource Information

URL: <https://github.com/gatech-genemark/ProtHint>

Proper Citation: ProtHint (RRID:SCR_021167)

Description: Software pipeline for predicting and scoring hints (in form of introns, start and stop codons) in genome of interest by mapping and spliced aligning predicted genes to database of reference protein sequences.

Resource Type: software resource, software toolkit

Keywords: Predicting and scoring hints, form of introns, start and stop codons, genome, mapping, spliced aligning, predicted genes, database, reference protein sequences

Availability: Free, Available for download, Freely available

Resource Name: ProtHint

Resource ID: SCR_021167

License URLs: <https://github.com/gatech-genemark/ProtHint/blob/master/LICENSE>

Record Creation Time: 20220129T080354+0000

Record Last Update: 20260821T194203+0000

Ratings and Alerts

No rating or validation information has been found for ProtHint.

No alerts have been found for ProtHint.

Data and Source Information

Usage and Citation Metrics

We found 51 mentions in open access literature.

Listed below are recent publications. The full list is available at [dkNET](#) .
