iReceptor

RRID:SCR_022294

Type: Tool

Proper Citation

iReceptor (RRID:SCR_022294)

Resource Information

URL: <http://ireceptor.irmacs.sfu.ca/>

Proper Citation: iReceptor (RRID:SCR_022294)

Description: Data discovery platform that facilitates curation, analysis and sharing of antibody/B-cell and T-cell receptor repertoires from multiple labs and institutions. Used to increase value of data through sharing with community. Platform for querying and analyzing antibody/B-cell and T-cell receptor repertoire data across federated repositories.

Resource Type: data or information resource, portal, topical portal

Defining Citation: [PMID:29944754](#)

Keywords: Adaptive Immune Receptor Repertoire, AIRR-seq data, querying and analyzing, antibody, B-cell, T-cell, receptor, federated repositories, data discovery

Availability: Free, Freely available

Resource Name: iReceptor

Resource ID: SCR_022294

Record Creation Time: 20220602T050139+0000

Record Last Update: 20260829T182818+0000

Ratings and Alerts

No rating or validation information has been found for iReceptor.

No alerts have been found for iReceptor.
