Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility

RRID:SCR_022694

Type: Tool

Proper Citation

Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility (RRID:SCR_022694)

Resource Information

URL: <https://www.janelia.org/support-team/quantitative-genomics>

Proper Citation: Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility (RRID:SCR_022694)

Description: Provides services to anything related to genomic analysis, such as RNAseq, genome sequencing, ATACseq etc, from experiment design all the way down to data analysis. Provides expert services for cell isolation, transcriptome and epigenetic profiling, and de novo genome assembly using next generation sequencing platforms from Illumina.

Synonyms: Quantitative Genomics, Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics

Resource Type: access service resource, core facility, service resource

Keywords: USEEdit, ABRF

Resource Name: Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility

Resource ID: SCR_022694

Alternate IDs: ABRF_1507

Alternate URLs: <https://coremarketplace.org/?FacilityID=1507&citation=1>

Record Creation Time: 20220820T050144+0000

Record Last Update: 20260905T133429+0000

Ratings and Alerts

No rating or validation information has been found for Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility.

No alerts have been found for Howard Hughes Medical Institute at Janelia Research Campus Quantitative Genomics Core Facility.
