JupiterPlot

RRID:SCR_022961

Type: Tool

Proper Citation

JupiterPlot (RRID:SCR_022961)

Resource Information

URL: <https://github.com/JustinChu/JupiterPlot>

Proper Citation: JupiterPlot (RRID:SCR_022961)

Description: Software pipeline for generating Circos based genome assembly consistency plot given set of contigs relative to reference genome. Intended to visualize large scale translocations or missassemblies in draft assemblies, but it can also be useful when trying to show synteny between whole genomes. Circos based tool to visualize genome assembly consistency

Resource Type: software resource, software toolkit

Keywords: visualize large scale translocations, visualize large scale missassemblies in draft assemblies, visualize genome assembly consistency, consistency plot, set of contigs relative to reference genome,

Availability: Free, Available for download, Freely available

Resource Name: JupiterPlot

Resource ID: SCR_022961

License: GNU GPL v3

Record Creation Time: 20221115T050204+0000

Record Last Update: 20260821T194228+0000

Ratings and Alerts

No rating or validation information has been found for JupiterPlot.

No alerts have been found for JupiterPlot.
