BlobTools2

RRID:SCR_023351

Type: Tool

Proper Citation

BlobTools2 (RRID:SCR_023351)

Resource Information

URL: <https://blobtoolkit.genomehubs.org/blobtools2/>

Proper Citation: BlobTools2 (RRID:SCR_023351)

Description: Software suite for identifying and isolating non-target data in draft and publicly available genome assemblies. Used to process assembly, read and analysis files for fully reproducible interactive exploration in browser-based Viewer. Used for interactive quality assessment of genome assemblies .BlobTools2 is reimplementaion of BlobTools, written in Python 3 with fully modular design to make creating new datasets and adding additional analysis types easier.

Synonyms: blobtoolkit

Resource Type: data analysis software, data processing software, software application, software resource

Defining Citation: [PMID:32071071](#)

Keywords: interactive quality assessment, genome assemblies, identifying and isolating non-target data, genome, QC, filtering, process assembly, read and analysis files,

Funding: BBSRC Bioinformatics and Biological Resources fund

Availability: Free, Available for download, Freely available

Resource Name: BlobTools2

Resource ID: SCR_023351

Alternate URLs: <https://github.com/blobtoolkit/blobtoolkit>

License: MIT License

Record Creation Time: 20230310T050222+0000

Ratings and Alerts

No rating or validation information has been found for BlobTools2.

No alerts have been found for BlobTools2.
