# Stanford University School of Medicine Computational Services and Bioinformatics Core Facility

RRID:SCR\_023404

Type: Tool

# **Proper Citation**

Stanford University School of Medicine Computational Services and Bioinformatics Core Facility (RRID:SCR\_023404)

### Resource Information

URL: https://csbf.stanford.edu/

**Proper Citation:** Stanford University School of Medicine Computational Services and Bioinformatics Core Facility (RRID:SCR\_023404)

**Description:** Provides variety of Macintosh, Windows, and Linux software for scientific research. Obtains concurrent network licenses that work under control of software license manager. This allows facility to purchase limited number of copies of expensive software and distribute software within Stanford network. CSBF has user community of over 200 research labs in 36 different departments at Stanford. Staff members have many years of experience in providing computer support to biomedical researchers.

**Abbreviations: CSBF** 

**Synonyms:** Stanford Computational Services and Bioinformatics Facility, Computational Services and Bioinformatics Facility

Resource Type: access service resource, service resource, core facility

**Keywords:** USEDit, ABRF, software license network, license manager, distribute software within Stanford network, computer support,

### **Funding:**

Availability: Restricted

Resource Name: Stanford University School of Medicine Computational Services and

**Bioinformatics Core Facility** 

Resource ID: SCR\_023404

Alternate IDs: ABRF\_374

Alternate URLs: https://coremarketplace.org/?FacilityID=374&citation=1,

https://coremarketplace.org/RRID:SCR\_023404?citation=1

Record Creation Time: 20230324T050212+0000

Record Last Update: 20250521T061922+0000

## Ratings and Alerts

No rating or validation information has been found for Stanford University School of Medicine Computational Services and Bioinformatics Core Facility.

No alerts have been found for Stanford University School of Medicine Computational Services and Bioinformatics Core Facility.
