Emory University Mouse Transgenic and Gene Targeting Core Facility

RRID:SCR_023535

Type: Tool

Proper Citation

Emory University Mouse Transgenic and Gene Targeting Core Facility
(RRID:SCR_023535)

Resource Information

URL: <https://www.cores.emory.edu/tmf/index.html>

Proper Citation: Emory University Mouse Transgenic and Gene Targeting Core Facility
(RRID:SCR_023535)

Description: Provides equipment and expertise for generating and characterizing genetically altered mouse models. Please contact us so that we can discuss your experimental needs.

Abbreviations: TMF

Synonyms: Mouse Transgenic and Gene Targeting Core (TMF), Emory University Mouse Transgenic and Gene Targeting Core (TMF)

Resource Type: access service resource, core facility, service resource

Keywords: USEdit, ABRF, genetically altered mouse models,

Funding: Emory University School of Medicine ;
Georgia Clinical and Translational Science Alliance

Resource Name: Emory University Mouse Transgenic and Gene Targeting Core Facility

Resource ID: SCR_023535

Alternate IDs: ABRF_1752

Alternate URLs: <https://coremarketplace.org/?FacilityID=1752&citation=1>

Record Creation Time: 20230503T050210+0000

Record Last Update: 20260821T194241+0000

Ratings and Alerts

No rating or validation information has been found for Emory University Mouse Transgenic and Gene Targeting Core Facility.

No alerts have been found for Emory University Mouse Transgenic and Gene Targeting Core Facility.
